

## Welcome from AJ

Hello:

We are excited to have you on the line!!

On behalf of all of us at AJ's Cafe, I want to sincerely thank you for being a part of this extraordinary effort. Our concert is a tribute to the great, domestic 3, Detroit-born automobile industry.

Our movement is "IPledgeAmerica" (<http://www.ipledgeamerica.org>) which states:

***"On my honor, the next car that I buy will be a domestic 3, Detroit-born Ford, General Motors or Chrysler Automobile."***

Let's face it, we're all in this together, Whether you work for one of the automobile companies, a coffee shop, diner, school, barber shop...how well our auto companies do affects us. And I for one am proud to be a part of this interconnected family.

This concert is bigger than me. It's bigger than you, or any one of us. We represent the very backbone of our economy and our way of life.

So we play, pick, strum, sing and perform knowing that our talent, grit, hard work and determination embolden a greater cause. For that, I am honored to be on "The Line" with you!

From 5pm on Friday, March 19 and non-stop for the next 312 hours; until Wednesday, March 31, 2010, the "Assembly Line II; Second Shift" Concert will be held at AJ's Cafe. This is an Official Guinness World Record Attempt and as such, we need to have some information from you.

See You On The Line!

Kindest regards,

AJ O'Neil
